Collaborative places, what are we talking about?

Coworking space, Makerspace, Coliving House, Living Lab, FabLab, Hackerspace, Street Art district, Coffee-bookstore, Collaborative Workspaces, etc.

Collaborative places: Spaces, Practices & Communities

Collaboration, Playful mood, Conviviality, Co-creation, Openness, Materiality, Friend-workers, Solidarity, Experience, Networking, “Make”, Entrepreneurs, etc.

RGCS, inspired by collaborative places & culture to hack academic practices & ways of making Science

and to **talk directly to public policies**
and to **experiment**

and to test **new ways of working**
and to **co-produce knowledge**
