MAKING AN IMPACT THROUGH PUBLIC ENGAGEMENT

on mental health of children and adolescents

TELL US!

WHAT QUESTIONS ABOUT
MENTAL HEALTH DOES
RESEARCH NEED TO ANSWER?

 **400 high-quality
contributions**

**MENTAL HEALTH
OF CHILDREN AND
ADOLESCENTS**

TELL US!

Community defined research challenges

IDEAS LAB

Translate challenges to research projects

IDEAS LAB

Free-thinking & interactive workshop

Day
1

EXPERTISE

Who is who?
Knowledge in the room,
scope of the event,
guest speakers &
actor's presentation

Day
2

EXPLORE CHALLENGES

Generation of ideas
and inspiration,
experts by experience
(patient perspective)

Day
3

PROJECT IDEAS

Explore three potential
project options &
preliminary from
teams

Day
4

FORMING TEAMS

Further
development on
project ideas and
reshuffle teams

Day
5

RESEARCH PROJECTS

Finishing
working on
projects &
deliver final
presentations

RESEARCH GROUPS

Focus on children of mentally ill parents

- ▶ formed by **Principal & Co-Investigators** arising from the **IDEAS LAB**
